TYPE 1 CHILD RESTRAINT FITTER

This nationally accredited short course will provide prospective Type 1 Child Car Restraint fitters with the knowledge and skills to install child restraints and conduct Type 1 fitting and checking services, as well as providing participants with the knowledge and understanding to educate consumers on the importance of appropriate selection and use of child car restraints.

Operators of Type 1 Fitting Services should have adequate insurance cover in place to protect their business and their customers.

*Evidence of suitable insurance is not a requirement for completing this course.

Enrol Now

Training includes:

- Contextualise advice on correct child car restraint use
- Requirements of relevant legislation, Australian Standards and guidelines
- Requirements for child car restraint installation
- Assist clients in selecting suitable child car restraints
- Responsibilities of different child car restraint fitters
- Identify vehicle and car seat suitability for installation and use
- A full day of Hands-on practical skills: correct installation and adjustment using real-world scenarios plus inspection of typical client installations!
