

## WHO ARE WE?

Kidsafe Tasmania is an independent, not-for-profit, non-government organization dedicated to the reduction and prevention of unintentional death and injury to children.

## OUR AIMS

Kidsafe Tasmania advocates on child safety issues, undertakes public awareness campaigns, and provides information, training, practical advice, guidance, and support to parents and carers, government and non-government agencies, community organisations and individuals.

## THE KIDSAFE TASMANIA MISSION

To make a safer world for kids.

- Raising awareness of unintentional child injuries and its consequences,
- Identifying causes and risk factors responsible for injury,
- Advocating for changes to standards and regulations relating to products and equipment,
- Providing organisations and individuals with up to date injury prevention information,
- Highlighting the dangers of unsafe products, equipment, and childcare practices.
